

PUMP UP PRODUCTIVITY

WITH HV600 VARIABLE FREQUENCY DRIVES

You will get pumped up over the difference in system performance when you integrate the Yaskawa HV600 Variable Frequency Drive into your building operations.

HV600 drives are perfectly suited for applications ranging from simple fan control with integrated BAS communication to advanced bypass control or multiplex pump control, allowing you to minimize energy costs and maximize occupant comfort.

Ever wonder what might happen if you don't use Yaskawa drives? Call Yaskawa at 1-800-927-5292.
