Application Highlights

SIGMA-5

Previously, SigmaWin+ Version 5 installed the driver within the following file location upon installation of the software:

- C:\Program Files (x86)\SigmaIDE\SigmaWinPlus\Driver\USB\x64

- For further USB location details when using a 32-bit or 64-bit processor, click:
  - Is there more information available on installing the SigmaWin+ USB driver for Sigma-5 amplifiers?

SIGMA-7

SigmaWin+ Version 7 does not install the USB Driver at a known location as in previous versions. **The driver is located within the downloaded zipped file from www.yaskawa.com.**

Application Requirements

SigmaWin+ Version 7
